

MEG Home Page

The image shows a screenshot of the Minnesota Epilepsy Group website. A red box highlights the top navigation bar containing the logo, search bar, and menu items: About Us, Services, Patient Resources, Epilepsy Research, and Contact Us. A white box with a red border on the left contains the text "Graphics These items cannot be edited." with arrows pointing to the navigation bar, a photo of a couple, and a photo of a surgical team. A green box at the bottom center contains the text "Editable <div>= 'subnav'" with an arrow pointing to a vertical list of links: Schedule an appointment, Career opportunities, Forms, and Map/Directions. Another green box at the bottom right contains the text "Editable <div>= 'noteworthytext'" with an arrow pointing to the "Noteworthy" section, which includes news items about St. Paul Children's expansion and MEG technology.

Note: The dropdown menus are editable using Dreamweaver or similar HTML editing software. However, the menus exist separately on each page, so adding or deleting an item will require editing every page on the site.

Linked text will change color and font weight automatically. No need to "bold" the text or change its color.

MEG Inside Page #1

The screenshot shows the Minnesota Epilepsy Group website. The main header features the group's logo and navigation links: Home, About Us, Services and Specialists, Patient Resources, Epilepsy Research, and Contact Us. A sidebar on the left contains a dropdown menu with 'Epilepsy care team' and 'News', and a search box. The main content area is titled 'News' and contains two articles: 'Expansion of Epilepsy Unit on St. Paul Children's Hospital Campus' and 'FOX 9 News Story'. Annotations with arrows point to various elements: a red box labeled 'Graphics These items cannot be edited.' points to the logo and navigation bar; a green box labeled 'Editable <div>= "subnav"' points to the sidebar menu; a green box labeled 'Editable <h1>' points to the 'News' title; a green box labeled 'Editable <p>' points to the introductory paragraph of the first article; a green box labeled 'Editable <h2>' points to the 'FOX 9 News Story' title; and another green box labeled 'Editable <p>' points to the introductory paragraph of the second article.

Note:

The dropdown menus are editable using Dreamweaver or similar HTML editing software. However, the menus exist separately on each page, so adding or deleting an item will require editing every page on the site.

Linked text will change color and font weight automatically. No need to "bold" the text of change its color.

MEG Inside Page #2
